P. Time intervals for carrying out the survey

A = Yearly  
C = Every four year  
CE = Every four years special

T. Type of value

E = Whole number  
D = Decimal number  
C = Categorical

F. Recording format

States the width of the field and the number of decimals, in case there were any.

U. Units

u = Units  
m = Thousands  
M = Millions  
% = percentage  
o/oo = per thousand

From - to. Availability

Records the years for which the variable is available.
